

About the Project

South Main Senior Lifestyles is a 199-unit Assisted Living facility, consisting of 171 Assisted Living units and 28 Memory Care units. The project sits on 2 acres and will be 4 stories tall with one level of underground parking. The project amenities include three large courtyards, an indoor pool, exercise/therapy facilities, theater, commercial kitchen and dining, activity center, salon and library.

Scheduled completion date is March 2020.

Scheduled Work:

Dates: 12/1/18–12/31/18

The project is moving along as scheduled and we are happy with the progress to date. This month the structural concrete work will be substantially complete and the crews will begin wall framing and perimeter retaining walls with ongoing utility work in the right of way.

Planned Street Interruptions:

There will be periodic traffic delays on South Main Street from 9am to 5pm, Monday through Friday due to crane and street work for offsite utilities. For any issues, please call (669) 207-9975.

Our site will be closed in observance of Christmas Eve, Christmas Day, New Year's Eve and New Year's Day (12/24, 12/25, 12/31, 1/1/19)

Safety:

We apologize for any inconveniences throughout the construction process. The safety of all employees, neighbors and the general public is our number one priority. Please be aware of changing conditions in the public right of way as sidewalk and street conditions are ever changing. Heavy equipment is entering and exiting the jobsite regularly. Please be aware of your surroundings and help us keep this project safe and free of injury. Thank you.
