About the Project

Merrill Gardens at Rolling Hills Estates is a 134,985 square foot senior living project located on the corner of Silver Spur Road and Dry Bank Drive. The community includes 94 independent/assisted living units, 20 memory care units, 18,175 square feet of common amenity space, 16,965 square feet of common outdoor landscaped courtyards and parking for 64 vehicles in a partially below grade garage.

Scheduled completion date is Spring 2020

Scheduled Work:

Dates: 2/6/19–2/28/19

As the building structure grows from the southeast corner, the project has been gaining momentum and is progressing steadily towards our scheduled completion of Spring 2020. We are continuing to construct the prefab structural panels and elevated concrete decks. The coming months will see the elevated decks continue to progress west with the installation of the prefab structural panels on top.

Planned Street Interruptions

Traffic control is being implemented for the lane closures of the parking lane and one traffic lane from 7am to 3pm on Silver Spur Road.

Safety:

We apologize for any inconveniences throughout the construction process. The safety of all employees, neighbors and the general public is our number one priority. Please be aware of changing conditions in the public right of way as sidewalk and street conditions are ever changing. Heavy equipment is entering and exiting the jobsite regularly. Please be aware of your surroundings and help us keep this project safe and free of injury. Thank you.
